**FOR IMMEDIATE RELEASE**

## **Blake & Pendleton Territory Expanded for Sullair**

**MICHIGAN CITY, IN – 03/27/2018** – Sullair, an industry leader in innovative compressed air solutions since 1965, announced today it has expanded the sales and service territory for Blake & Pendleton, an independent Sullair distributor, to include North Carolina, Northern Mississippi, Eastern Arkansas and the greater Memphis area of Southern Tennessee. As an authorized distributor, Blake & Pendleton provides full customer sales, service and warranty support for all Sullair lines including compressors, air treatment products and Sullair Genuine Parts.

“Sullair is happy to provide our customers with a sales & service provider as strong and as well-respected as Blake & Pendleton,” according to Brian Tylisz, Vice President Commercial and Industrial Sales. “Equally impressive as their commitment to attracting and retaining the best compressed air talent is their investment in ongoing training in their people, providing customers with solutions that best fit their needs, and service that is second to none.”

“Next year, Blake & Pendleton, Inc. will celebrate our 40<sup>th</sup> anniversary representing Sullair,” states Allen King, Chief Executive Officer, Blake & Pendleton, Inc. “We are very honored to have Sullair’s continued confidence in our company’s ability to bring the best compressed air products and services to our market area. The Sullair and Blake & Pendleton partnership brings a level of engineering and service excellence to our customers that is unequaled.”

Headquartered in Macon, Georgia, Blake & Pendleton has branch offices in Atlanta, Georgia; Birmingham and Mobile Alabama; Jacksonville, Florida; Jackson, Mississippi; Chattanooga and Knoxville, Tennessee; and Raleigh, Charlotte, and Hickory, North Carolina. For more information about Blake & Pendleton visit [blakeandpendleton.com](http://blakeandpendleton.com).
