**FOR IMMEDIATE RELEASE**

## **Cummins-Wagner Co., Inc. Appointed Sullair Distributor**

**MICHIGAN CITY, IN – 04/06/2018** – Sullair, an industry leader in innovative compressed air solutions since 1965, is pleased to announce Cummins-Wagner Co., Inc. has been appointed an authorized distributor for Sullair Commercial and Industrial Products in the Eastern US. As an authorized distributor, Cummins-Wagner will provide full customer sales and support for Sullair equipment, parts, service and warranty.

“Cummins-Wagner is a solid addition to our distributor network in the U.S. Mid-Atlantic region,” according to Brian Tylish, Vice President Commercial and Industrial Sales, Sullair. “Their company culture and growth mindset are very much aligned with our own business, and we couldn’t be more pleased to have them onboard. Cummins-Wagner’s longevity, deep knowledge of their local markets, and commitment to service all speak to the integrity of the business and to their strength as a partner.”

Cummins-Wagner Co. will carry the full line of Sullair oil flooded compressors from 5 to 600 hp, plus the complete line of oil free and centrifugal compressors up to 30,000 hp. Cummins-Wagner will also sell, install and support the full Sullair air treatment and aftermarket line, including compressed air dryers/filters/drains, industrial vacuum systems, flow controllers and Sullair Genuine Parts.

"We are excited about our partnership with Sullair," says Doug Ardinger, President of Cummins-Wagner. "Their commitment to the customer, distributor, quality and product development is well known in the industry. It makes them a perfect fit with our business philosophy of being the leading solutions provider for compressed air applications. We look forward to growing and improving our sales, service and packaging capabilities with the Sullair product line."

Cummins-Wagner Co. is a 100% Employee Owned Company that specializes in the sales, service and packaging of compressed air products. They are headquartered in Annapolis Junction, Maryland with branch offices in Salisbury, Maryland; Ashland, Virginia; and Elizabethtown and West Chester, Pennsylvania.
